Allergy Aware Centre

In recent years there has been increased concern about the growing rates of food allergies and intolerances in our community. Atlantis Play Centre is allergy aware. However, it is important to remember that we are not able to guarantee that any of our food is "nut free" or free from any other known allergens.

Many of our products come from suppliers that also manufacture nut products and therefore we cannot ensure that contamination hasn't occurred. We encourage all visitors with any such allergies to be sensible and vigilant when purchasing food from our café. Your cooperation is appreciated.

Please be patient, our food is freshly prepared to order. Short delays can be expected at peak periods.
